DJ Bootsie – Holidays In The Shade

CD (Item 507639) BBE (UK), 2009 — Condition: New Copy

A stylistically far reaching set from DJ Bootsie – drawing from the Hungarian folk sounds of his homeland and boundless raw soul, funk and hip hop elements – drawing from a deep well, but making it all his own! The way Bootsie blends acoustic based material with crackling hip hop and dusty soul sounds is impressive, and the couple of tracks with MCs show that he's more than adept with crafting leftfield hip hop. Solid stuff on BBE! Titles include "Rain A Fall", "Lieutenant Chrome", "Mosquito Dance", "Kite Over Faurndau", "Vast Hope" feat Vast Aire, "Ballad Of The Space Ship Rigger" (Pts 1 & 2), "Call Mr Prozac", "Move A Mountain" feat OC, "Huzd" and more.
